

Nettle Creek Country Club

Morris, Illinois

Superintendent

\$24.00/hr + overtime (year round)

Nettle Creek Country Club is a semi-private 18 hole golf course located in Morris, Illinois. This links style course with bentgrass tees, fairways, and greens is accompanied by many wetlands and native prairie grasses. This position is ideal for anyone looking to further their career from an assistant superintendent as they will report directly to the Director of Grounds. Nettle Creek CC is owned and operated by Morris Country Club.

Responsibilities

- Manages the maintenance team with daily course set up and operations
- Irrigation system operations and maintenance
- Applies scheduled pesticide applications
- Communicates effectively with coworkers and members
- Training and supervision of employees with equipment operations
- Cultural practices applied to the golf course
- Basic understanding of plantings, flower beds, and ornamental landscaping maintenance
- Reports any damaged or non-working equipment to the Equipment Technician

Education and Requirements

- Turf certificate or 2 year degree
- Must possess or have the ability to obtain an Illinois Pesticide License
