

Rich Harvest Farms

7s771 Dugan Rd. Sugar Grove, IL 60554

2nd Assistant Golf Course Superintendent

Educational and Experience Requirements – 2- or 4-year degree in turf science or related field. 2 years golf course experience required; elite private club experience preferred

Job description – Rich Harvest Farms in Sugar Grove, IL is searching for an Assistant Superintendent to be part of the team to help with the golf course and ground operations, 2023 LIV Chicago Tournament preparations and renovation planning. Rich Harvest Farms has also signed on with LIV for another 3 years to be the host of the LIV Chicago Invitational.

Candidate must be self-motivated and possess a great attitude and work ethic. Ideal candidate has a desire to advance within the Assistant role at RHF and within the industry. Must show the utmost professionalism, attention to detail, and leadership qualities to exceed expectations on a daily basis. Rich Harvest Farms is held to the highest of standards and so are its employees and representatives.

Salary Range – \$19.50 per hour with estimated 400 overtime hours given to the position to reach.

Benefits – Single on-site housing, uniforms, 50/50 health insurance, paid vacation time, GCSAA and Local Chapter dues paid, golfing privileges

Application Deadline – 11-23-22

Date Available – Immediate

Course Details – Rich Harvest Farms is a world-class golf-only facility owned and designed by Mr. Jerry Rich. In 1987, Mr. Rich began the development of Rich Harvest Farms and ten years later, all 18 holes were completed. It was rated 5th Best New Private Golf Course by *Golf Digest* in 1997 and three years later, made *Golf Digest's* America's 100 Greatest Golf Courses. Rich Harvest Farms has hosted the 2022 LIV Chicago Invitational, 2009 Solheim Cup, 2015 & 2021 Palmer Cup, 2017 NCAA Men's and Women's National Championship and has signed to be the host of the LIV Chicago for another 3 years. Rich Harvest Farms is currently ranked 90th in the Golf Digest ranking of America's 100 Greatest Courses.

Most projects that occur at Rich Harvest Farms are done in-house but we are in the initial stages of planning for a green, green surround renovation, tee leveling, and fairway re-grassing providing an ideal situation for a young turf professional to learn and gain valuable experience to best prepare them for career advancement in the golf course industry.
